

Artificial Intelligence

Part 2

Problem Solving Search

Practical Work

How to Run Your Code ?

1-Open Github link and Download Code

<https://github.com/aimacode/aima-python>

2-Fetch the datasets from

<https://github.com/aimacode/aima-data>

3- Open My github link

<https://github.com/Sh-Bedier9135/Problem-Solving-Search>

to download

a-Installation_code.ipynb

b-searchProject-Yrcode.ipynb
